President's Message

It seems like yesterday that we just kicked off our 2015-2016 year and now we have only two more educational meetings to go. We've had an excellent year so far and we have a lot of activities left to go with our volunteer opportunity, shred day, and a seminar.

Data and information and how we access it and who controls it seems to become more and more relevant every day. I can't read the news anymore it seems without reading a story about information and records management. Whether it be governments trying to avoid and limit FOIA, corporations concealing the results of their own research, individuals protecting their information with unbreakable encryption, or ongoing concerns about privacy and liability, information and how it is preserved and retrieved is at the center of so many issues today. It continues to present challenges to our profession that were inconceivable outside of science fiction as little as 35 years ago. I'm proud that our chapter is determined to stay ahead of these issues with our ongoing commitment to quality education.

I look forward to the remainder of our year.

Gregg M Long, JD CRM

Member of the Month

Heather Shirley

Heather works with Iron Mountain. She is currently a Business Development Executive for their Healthcare division. She is a participant in the Atlanta ARMA chapter as well as partners with the Greater Chattanooga ARMA Chapter serving as Vice President of Programs. An original native of Louisiana, Heather and her husband Dusty reside in Atlanta, Georgia. They have twin 4 year olds, Grayson Miller and Taylor Mae, whom keep them busy with soccer and dance and are their "little peaches". During her down time, she enjoys cooking, gardening and watching LSU football. Geaux Tigers!

Thank you for all the planning and great work you do making the programs come together.
