

# Greater Chattanooga Area Chapter of ARMA International

## 2019 November Monthly Education Meeting

### November 12, 2019

**Time:** 11:30AM-1:00PM

**Location:** [Chambliss, Bahner & Stophel, P.C. Liberty Tower/ 605 Chestnut Street, Suite 1700](#)

**Topic:** Content Management in the Cloud

**Presented by:** Tim Pascarella/ IBM

**Synopsis:** Almost, every organization both locally and globally are evaluating and executing upon their cloud strategy. Some organizations have been more aggressive in their transition while others, especially in tightly regulated industries, have been slower to adopt a cloud-first strategy. We will review some of the key drivers for this move to cloud, how this move to cloud impacts our data, how we remain compliant, and lessons we can learn to help make our organizations successful in the long term.

**Presenter:** Tim Pascarella/ IBM

**Bio:** As a technology professional with over a decade of service specializing in content management and governance, Tim is focused on delivering exceptional experiences and driving business results through collaboration, innovation, team building, and helping customers navigate enterprise technology solutions. He has experience with global and complex enterprise deployments, cloud architecture, and technical strategy. Tim continuously fosters success by partnering with peers, business partners and clients to build, customize, and deploy next-generation solutions.
