

ARMA Greater Chattanooga Area Chapter Monthly Education Meeting Series

Date: October 14th, 2024

Janine L. Nash

Talent & Employee Engagement

Chambliss, Bahner & Stophel, P.C.

Topic: The Promise and Pitfalls of AI in the Workplace

Synopsis: Janine Nash has been a Technical Trainer in the Talent & Employee Engagement department at Chambliss, Bahner & Stophel for more than nine years. With a Microsoft Office Specialist Expert Certification and more than 30 years of experience in the Technology and Training industries, Janine brings a wealth of knowledge to her role, helping those she supports navigate evolving technological landscapes. Her passion for learning new technologies and embracing change makes her particularly well-suited to the dynamic nature of the field, ensuring she remains at the forefront of industry developments.
