

ON APRIL 15TH TRAVEL TO...

Chattanooga, TN

ABOUT CHATTANOOGA

Known as the "Scenic City," Chattanooga is surrounded by mountains and is popular for its art districts, music, and unique dining spots, complemented by world-class attractions.

FUN FACT

Chattanooga was the first city in the world to offer gig internet speeds. The Lookout Mountain incline railway is one of the steepest passenger railway lines in the world, with a 72.7% grade.

UPCOMING EVENTS

Hosted by the Int'l Bluegrass Music Association, the IBMA *World of Bluegrass* comes to Chattanooga in September. The event features a trade show, concerts, and awards that celebrate and promote bluegrass music.

ABOUT ARMA GREATER CHATTANOOGA

The Greater Chattanooga Area Chapter is small but "mighty." Their members are longstanding ARMA International and chapter members. They strive to help advance careers and provide education and networking opportunities.

ABOUT THE PROGRAM

Organizations face a myriad of security concerns; sometimes, understanding these concerns can be overwhelming. IG professionals must understand security issues that threaten their organizations and the information they are charged to protect. This presentation explores current threats and how an IG professional can help cybersecurity professionals safeguard data. IG professionals attending this session will learn theoretical and practical knowledge on protecting data from a Certified Information Security Manager (CISM), Certified Records Manager (CRM), and instructor at San Jose State University MARA program.
